GONNA' TAKE
YOU HIGHER

ALMA MATER

Close beside the mountain
In the morning light
Loveliest of banners floats
The green and the white

Student voices raised in song
Echo through the days
Sounding forth for Valley High
Alma Mater Praise

As the evening sun goes down
And the night draws near
Then we hear in memory
The song we love so dear.

REFRAIN:

Green and White, Green and White
Symbol of our School;
We will always honor thee,
To thee we'll e'er be true.

To you, William Harbach, the Senior Class dedicates "The Logan Lore" of 1972.

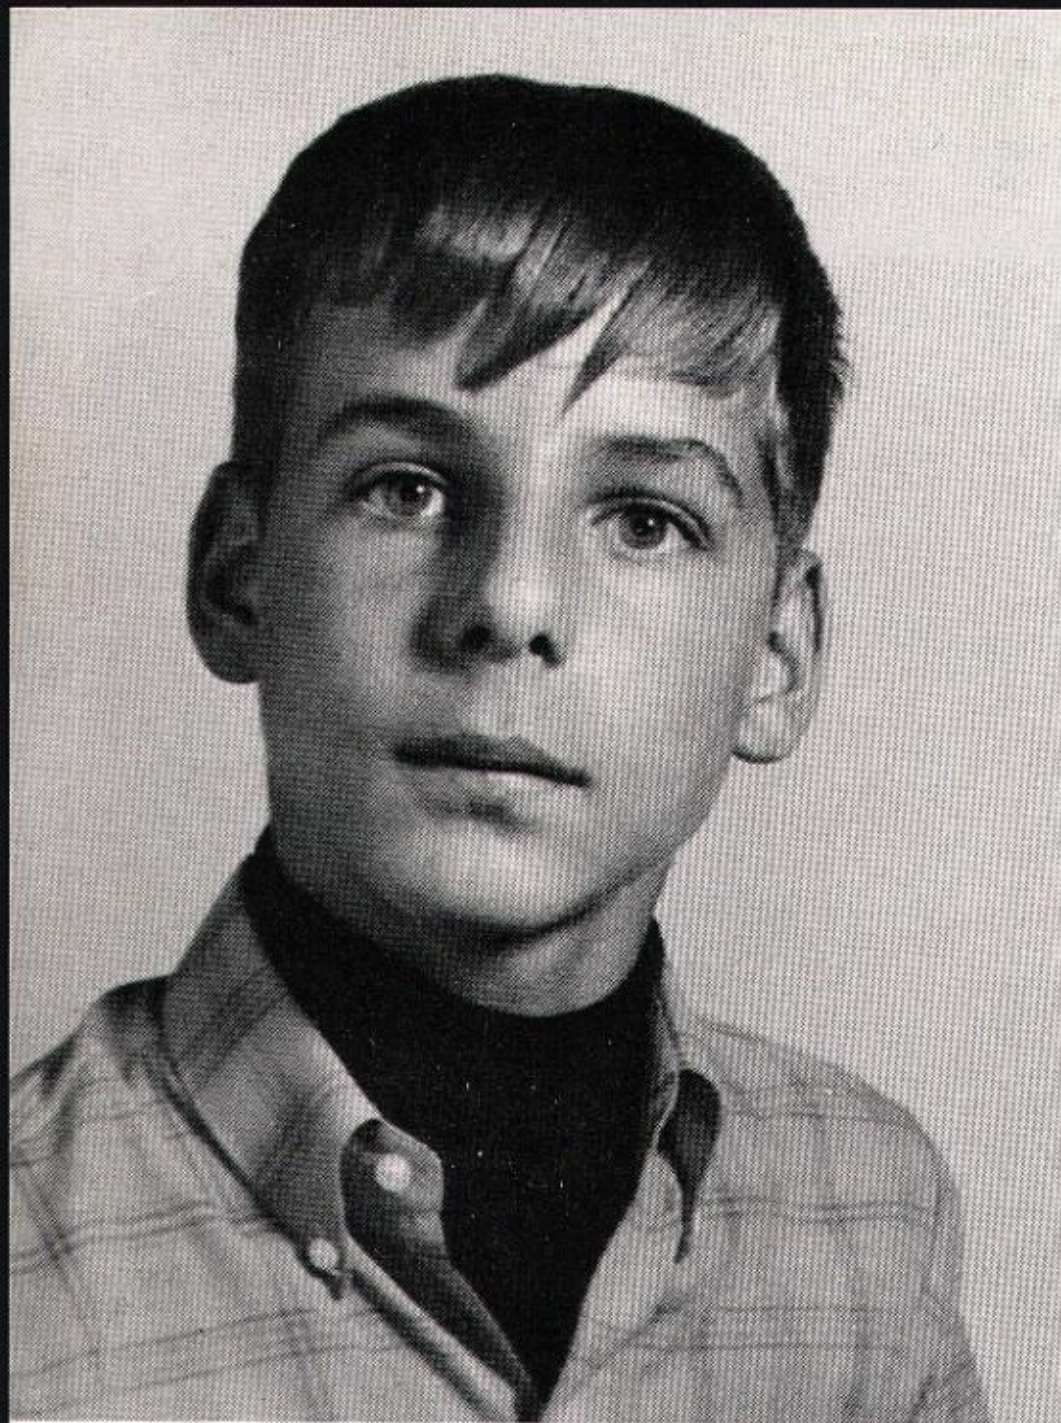

Your service and devotion to the class was evident in the many activities and projects undertaken by the students. Under your leadership the necessary fund-raising campaigns were profitable during our Sophomore year; as Principal we honor you; and class **esprit de corps** was strengthened through your guidance.

Enthusiasm for the subjects you taught, made your classes interesting and informative. This same zest extended from the classroom into the field of sports. Concern for the welfare of your pupils, an open mind, and understanding made you a true confidant.

We, the Class of 1972, take this opportunity to thank you for your service to us and to the school.

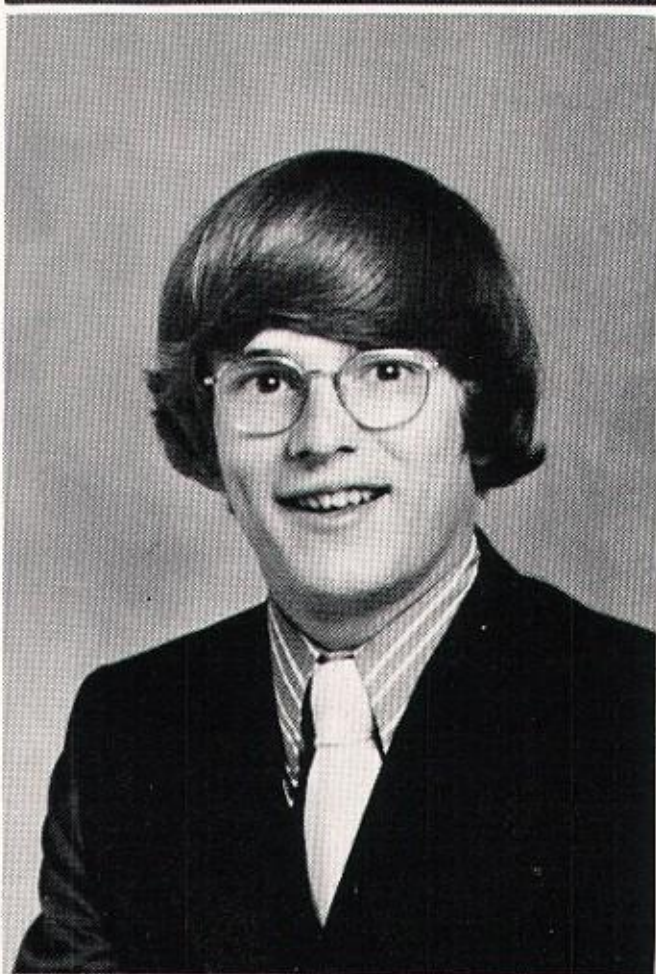

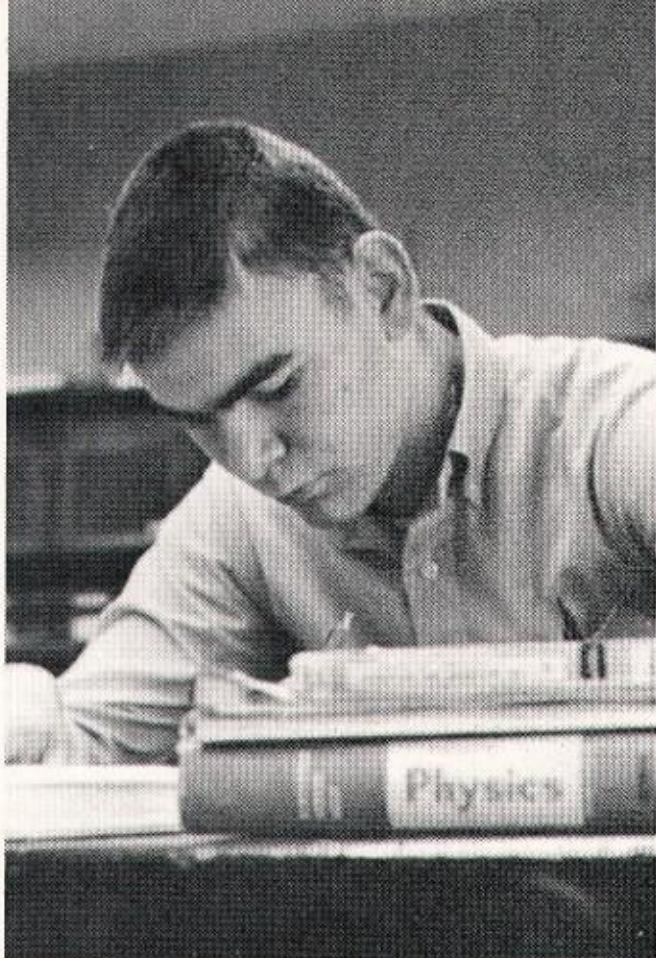

James Sheldon Miller

The class of 1972, with great sympathy do hereby insert this page in memorial of James Sheldon Miller, a dear and beloved classmate who unfortunately contracted a fatal illness during our freshman year.

WORDS OF WISDOM

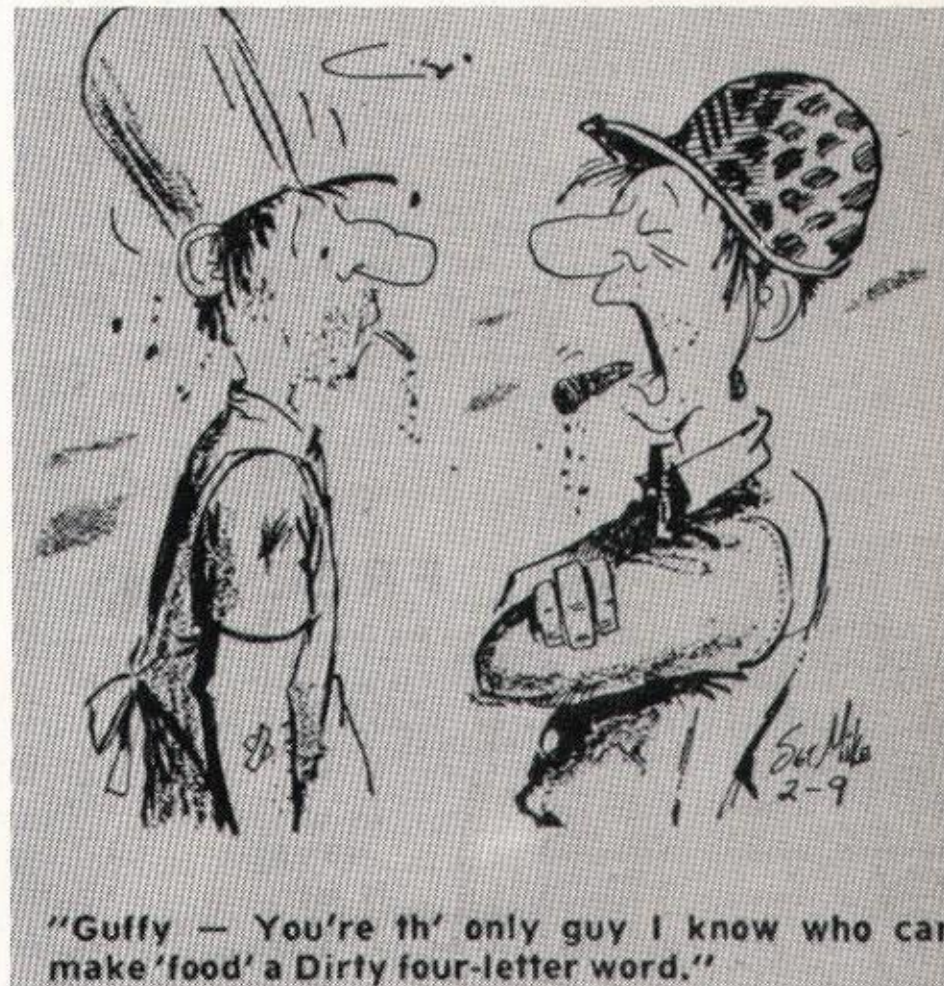

Don't let your sins turn into bad habits . . .

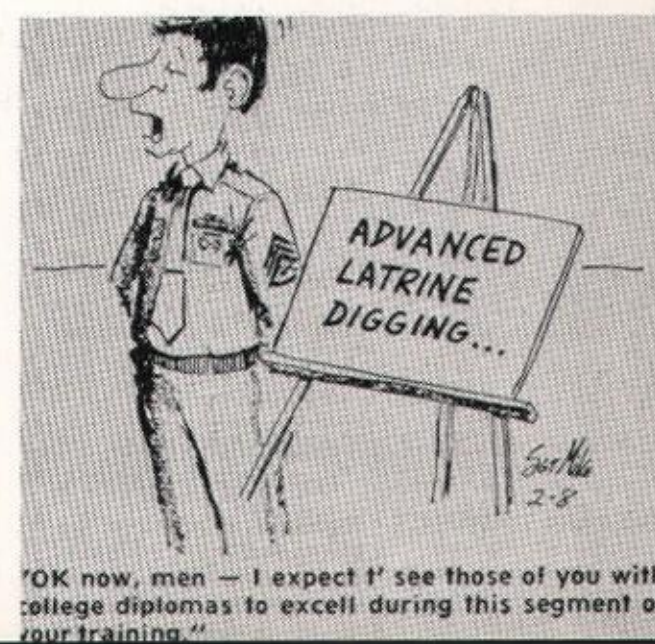

"Watching China on TV gave me a great idea for South Vietnam's defense. We build this wall around it tall enough to withstand ground attacks and high enough to keep out enemy planes!"

Not everything that is faced can be changed.
But nothing can be changed until it is faced.

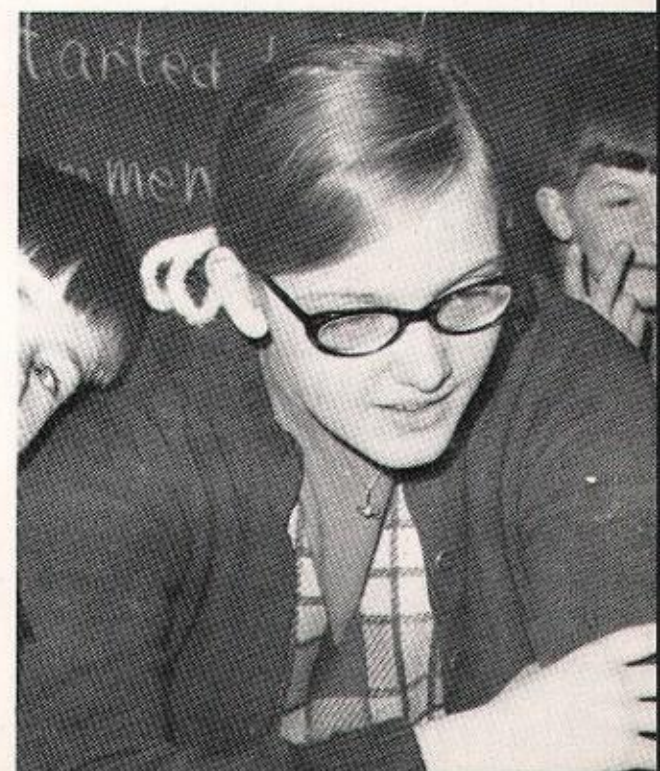

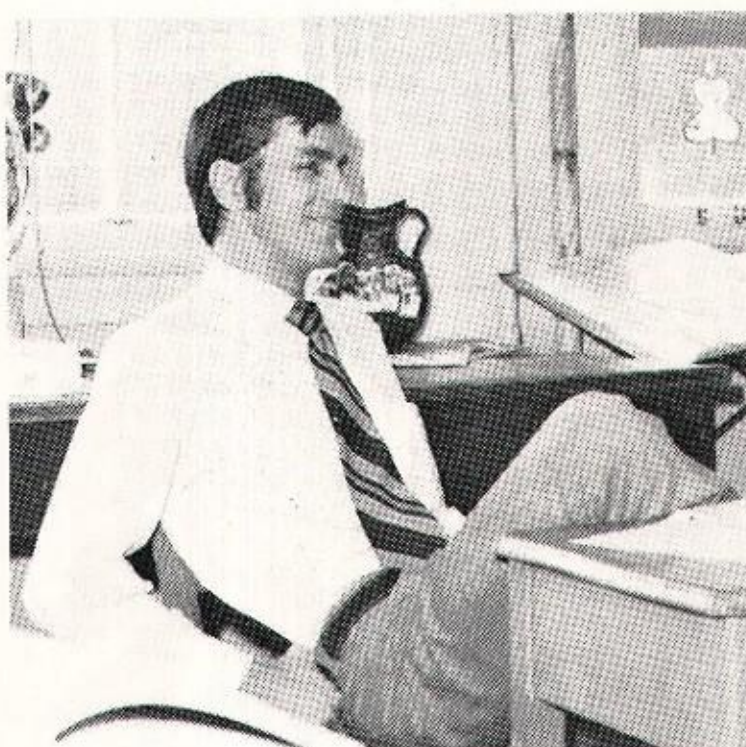

The most prominent place in hell is reserved
for those who are neutral on the great issues
of life.

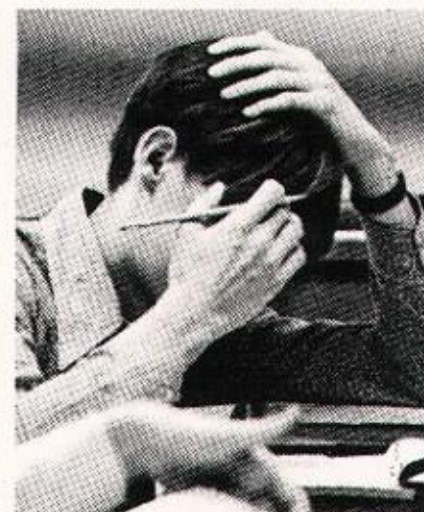

To entertain some people all you have to do
is listen.
